

# London Iron Ore Market Report

London +44 (0) 20 7090 1120 - info@freightinvestor.com | Singapore +65 6535 5189 - info@freightinvestor.asia

30 August 2023

Iron ore continued to have a low liquidity day. The front month has risen just under 2 dollars on the day to \$114.70. We saw some selling interest in the October contract whilst the majority of the rest of action was directed at the front month. This has been a continuation of a trend seen this week with little breaking news impacting the market.

INDEX	Price	Change	MTD
