

Fertilizer Derivatives End of Day Report

FUTURES MARKET COMMENTARY

NOLA

The fertilizer market slowed down today and showed weakness. There were no futures trades to report as I'm writing this. In the barge market, January barges were reported to have traded at 310 and 308 and December barges at 300 and 305 traded.

INTL

The international market was quieter today with not much activity to report going into the weekend.
