Fertilizer Derivatives End of Day Report

FUTURES MARKET COMMENTARY

NOLA

A very quiet day in the NOLA market. There are no trades to report on CME today. The physical market was also thin, with first half April barges trading at \$358.50 and full April barges at \$340.

INTL

A quieter day in the international market, with nothing to report trading in the market at the time of writing. As speculation around India remains and the physical market is thin.
