Verdict:

Short-run Neutral to Bearish.

Macro:

• The gold price soared to a record high, supported by the safe - haven demand triggered by US President Trump's tariff plan and the increase in the gold holdings of the world's largest gold - backed ETF. The oil price closed higher because the new sanctions imposed by the US on Iran and Iraq's commitment to balance its previous production exceeding the OPEC+ production quota exacerbated the market's concerns about the recent supply shortage.
