

Fertilizer Derivatives End of Day Report

FUTURES MARKET COMMENTARY

NOLA

Today in Nola, another quiet day with softer sentiment. No CME trades reported today and physical trades heard of as well.

INTL

The international market continued its softer sentiment this week. As the April AG traded down to 369 and May at 360. The markets remained framed around these levels throughout the day, with sellers hesitant to aggress further. The physical market was reported to remain quiet, but suggestions producers were lowering their offers.
